REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Friday, October 3.

2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College. (Complete instructions are printed on the back of the form.)

3. An incompleted course of study may be completed within one year of the time of the incompletion of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E".

4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.

5. Beginning Wednesday, October 8, there will be a fee of $1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration"form.

6. If a student finds it necessary to discontinue school before the end of the quarter, he must clear with the Dean of Students, Room 2234 SFLC; or he will be given a "UW" on the official records for each class.

7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office. All Section 90 evening classes require a special fee of $2.00 per credit hour. The fee is payable at the time Section 90 class cards are obtained.

8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.

9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.

10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

New and former students not enrolled Spring or Summer Quarter may register according to the above alphabetic schedule upon presentation of their green or yellow admittance slip, or their Autumn Quarter activity card.

If activity cards or admittance slips are lost, a duplicate may be obtained at the Field House on registration day, but this will delay one's registration.

Students not enrolled Spring or Summer Quarter who do not advise the Admissions Office of their plans to return will encounter considerable delay in their registration. This will result in their being subject to the late registration fee of $5.00 to $10.00.

It is the policy of the University that each student must not register for more than 40% of his classes in the forenoon (periods 8, 9, 10, and 11 a.m.) unless excused by his Dean.

PRE-PAYMENT OF AUTUMN QUARTER FEES

Students enrolled Spring or Summer Quarter may pay their Autumn Quarter fees and obtain their Autumn Quarter activity cards beginning August 18th at the Cashier's Office.

New and former students who clear with Admissions and obtain their green or yellow admittance slip prior to September 13th may pay their Autumn Quarter fees and obtain their Autumn Quarter activity cards beginning September 18th.

Students who pre-pay their fees will be admitted to the Field House according to the alphabetic schedule upon showing their Autumn Quarter activity cards. If fees are not pre-paid they must be paid at the Field House on registration days.
